

Year 11 Intervention 2017 (23.1.17)

The below intervention sessions are put on by your child's teachers to offer extra support and exam preparation for the summer GCSEs. Most of the sessions are voluntary, however, if the session is compulsory then the teacher will contact you directly. Extra sessions (mainly the one off revision days in the school holidays) will be added as we progress through the term so this document will be updated regularly. It can be found on the school website in the 'Parent area'.

Any queries or questions, please email HoKS4 Mr Edgar on: aedgar@reephamhigh.com

Extra One-Off Revision Days

Easter Revision Days

May Half Term Revision Days

History – Tuesday 30th May

Intervention during PE lessons

After the Christmas holidays, if any students are particularly behind in a subject then their PE lessons may be used to help catch up. Every PE lesson a room has been booked for optional silent independent study staffed by a teacher.

If a pupil wants to take advantage of this opportunity then they must bring sufficient revision materials with them.
