If there are more requests for places than there are places available, the Authority will admit children in the following order of priority:

1. children with a statement of special educational needs naming the school;
2. children in public care who are due to transfer
3. children who are due to transfer and live in the area served by the school;
4. children who are due to transfer and live outside the area served by the school, who have an older brother or sister attending the school at the time of admission (but not the sixth form);
5. children who are due to transfer who live outside the area served by the school and attend a feeder school at the opening date of the admission round ie: September 2011;
6. children who are due to transfer and live outside the area served by the school;

If all children within any of the above rules cannot be offered a place, the highest priority will be given to children living nearest to the school within that rule. To determine who lives nearest, distance will be measured on a straight line 'crow fly' basis, using Ordnance Survey data. If following the application of admission rules and distance two applicants cannot be separated for a final place at a school the authority will use random allocation to determine the priority for the remaining place.
