School students will either be identified before exam room entry by a senior member of school staff, or once seated, will have their ID verified by an invigilator using their candidate cards, which all carry recent photographs.

“The centre agrees to... have in place written procedures to verify the identity of all candidates at the time of the examination or assessment...” [GR 5.9]

Invigilators must establish the identity of all candidates sitting examinations.

...A private, external or transferred candidate who is not known to the school or college must show photographic documentary evidence to prove that he/she is the same person who entered/registered for the examination/assessment, e.g. passport or photographic driving licence...

...Where it is impossible to identify a candidate due to the wearing of religious clothing, such as a veil, the candidate should be approached by a member of staff of the same gender and taken to a private room where they should be politely asked to remove the religious clothing for identification purposes. Centres must inform candidates in advance of this procedure and well before their first examination.

Once identification has been established, the candidate should replace, for example, their veil and proceed as normal to sit the examination.” [ICE 16]
