

Dear Parents / Carers

Curriculum Enhancement Week (CEW) and other trips

We have taken the decision to cancel this year's CEW, as well as almost all other planned trips and visits. We feel that the ongoing uncertainty surrounding the rest of the school year puts CEW in significant doubt, and we also feel that should we return before the end of this academic year we really need to focus on classroom learning. We also expect many of the providers we were intending to use not to be in a position to be able to accommodate us.

I know this is disappointing because we invest a huge amount of time, effort and money into this week, and for many this is the highlight of the year. But, we feel this is the right decision.

Reimbursing you with the money you have already paid will be a time consuming process, that will involve us making multiple insurance claims. I cannot put a date on when we will be able to pay you back, but we will do so as soon as we can, and we will keep you advised as best we can on this. This applies to any cancelled trips.

Should you receive any automatically generated payment reminders, please ignore them.

Yours sincerely
Tim Gibbs
