February 2021

Dear Parent/Carer,

Ski Trip 12th-19th February 2022

Information regarding the annual Reepham High School and College Ski Trip.

This year we have decided to visit Italy again and will be returning to Val di Fiemme, one of the best locations we have skied in recent years. We will be booking with IBT, a well-established school ski tour operator who we have previously used for several years. We are returning to IBT, and to Val di Fiemme, because nowhere we have been and no company we have used since, has come close to the quality of trip they provide generally, especially the skiing. We have provisionally booked a trip for 40 students. If you would like your son/daughter to take part in this trip then please complete the digital reply slip ([click here to fill in the digital reply slip](#)) or return the reply slip, at the bottom of this letter, to the main office by Friday 19th March. We require a non-refundable deposit of £150 to confirm their place on the trip. The total cost of the trip will be £1135, however, I cannot confirm arrangements until I know final numbers.

Payments

When handing in the non-refundable deposit you are agreeing to pay the full amount of the trip. If not enough students sign up or too many students sign up then our price and plans may change. Places are secured on a first come, first served basis so it is important that you pay the required first deposit as soon as possible. Resort and travel arrangements may be altered depending on final numbers. The final balance must be paid by 26th November 2021. Payment should be made online using SCOPAY at www.scopay.com or via the SCOPAY App. There are no charges for using this service and payment can be made by debit or credit card. Please contact rhsc_finance@reephamhigh.com to register for this service or to arrange an alternative payment method.

- **The first non-refundable deposit of £150 is due by Friday 19th March 2021.**
- **The second non-refundable deposit of £200 will be due by Friday 30th April 2021.**

Book with confidence

Due to obvious concerns regarding Coronavirus and possible restrictions, I have been able to arrange that the final balance payment is now not due until 8 weeks prior to departure instead of the standard 12 weeks before travel. At this stage either of the following will apply:

1. If there are no travel restrictions in place by the Department of Education or the Foreign, Commonwealth & Development Office for Country of departure, or no travel restrictions in place for the Country of arrival then we will proceed with the tour as planned.
2. If there are travel restrictions in place by the Department of Education or the Foreign, Commonwealth & Development Office for Country of departure, or travel restrictions in place for the Country of arrival then there are two options available at this point in the process as follows:
 - a. We agree to postpone the tour to a later date in the same year (or the year after) and all the money you have paid to date rolls over to the new tour automatically.
 - b. Cancel the tour and receive a full refund of all payments we have received to date.

Further information

A parents' information evening will take place at the start of December to discuss final arrangements. If you require more information or have any questions then please do not hesitate to contact me on the email address below.

Yours sincerely,
