

2nd – 6th August 2021

Summer Enrichment Programme 2021

We will be starting at 9am every morning. Drop off will be in the main car park and staff will be present to greet you and your child. Please be prompt so we can make a start on the activities planned. This is especially important for the days we are running excursions.

We will be ending each day at 3pm, please arrange pick up for this time. This is important as we have building work going on at school and the site team are very kindly working around our timetable. They will be continuing work that may need doing from 3pm onwards.

Break and lunch time will be scheduled into our timetable. Times may vary depending on the activities that day. Please ensure your child comes with food for lunch and any snacks they may want to have. Squash and water will be provided. However, you may wish to pack a drink, especially for the excursion days.

	Monday	Tuesday	Wednesday	Thursday	Friday
Morning Arrive 9am	Introduction, games and sport 	Spectacular Science and treasure hunt. 	All day - Banham Zoo 	Sports and Games 	All day - Cromer
