Dear Parents and Carers

**Did you know.....just registering your child for Free School Meals  
means that the school gets extra money?**

**Register now to make sure we don't miss out**

The Government is giving money to schools to help children from lower income families do their very best. This funding is called a 'Pupil Premium'.

**For every child registered Reepham High School and College gets approximately £1,000 a year.** With this money we could get further support for your son or daughter. If you are registered for Free School Meals you could also get other benefits that the school or local authority may make available to pupils registered for Free School Meals.

**Please register to make sure your child and others in their class don't miss out.**

**To apply for free school meals in Norfolk, including an application form, please use this link:** <https://www.norfolk.gov.uk/education-and-learning/schools/school-meals-and-milk>

Registering is really quick and easy – if you think you qualify, contact the school office on 01603 870328 who will help you to register. Check if you qualify by viewing the list over page.

If you want your child to have a free, healthy meal at lunchtime that's great – they will get the free meal (saving you more than £350 a year), extra benefits and the school gets approximately £1,000 extra.

If you don't want your child to have the school meals they can continue as normal – as long as you qualify and are registered, the school still gets approximately £1,000 extra.

***No one will know you have registered and it will not affect any other benefits you are claiming. Please talk to us about registering your child today.***

Yours faithfully,

Mr T Gibbs
